

Andy Badger

Chief Information Officer

In his role as Chief Information Officer, Andy is responsible for the market leading electronic procurement systems that enable us to deliver the best possible service to our clients. With a background in IT and running successful businesses, Andy leads a team of talented developers who are focussed on advancing our systems.

Andy loves a challenge and enjoys the complexity of his role. It's the diversity of the industry and solving complex problems that keep him motivated. With an appreciation for a great lamb tikka madras, you might find him at his favourite curry house, The Indian Lounge in Ramsbottom.
